SHARCNET™

SEPTEMBER SEMINARS
September 19 – October 6, 2006
https://www.sharcnet.ca/Documents/Sharcnet_Sept_Seminars.pdf

SHARCNET September Seminars, directed towards the new SHARCNET user and open to all users, begins at several of our SHARCNET sites. These seminars are an excellent starting point for those planning to attend our Fall Workshops in October.

Topics:
- ➢ introduction to SHARCNET and our website
- ➢ our available systems and their intended use
- ➢ job scheduler interface
- ➢ basics of high performance computing and parallel design
- ➢ sample mpi, openmp and pthread programs

Schedule:

Tuesday, September 19th: University of Waterloo, Davis Centre, Room DC1304 (1:00pm to 4:00pm)

Friday, September 22nd: University of Windsor (1:00pm to 3:00pm)

Tuesday, September 26th: University of Guelph, Reynolds Building, Room 219 (9:00am to 12 noon)

Wednesday, September 27th: University of Western Ontario, SSC 3006 (10:30am to 11:30am)

Wednesday, September 27th: Brock University (12 noon to 4:00pm)

Thursday, September 28th: York University, TEL 1012 (12 noon to 3:00 pm)

Friday, September 29th: Wilfrid Laurier University (1:30pm to 4:30pm)

Friday, October 6th: McMaster University, Hamilton Hall 217 (Math Bldg) (3:30 to 6:30pm)

Please watch the events section on our website https://www.sharcnet.ca/Events/ for additional information including room numbers.

Registration is not required for these seminars.

Refreshments will be available.
