

Powering Innovation: A National Summit

CANARIE

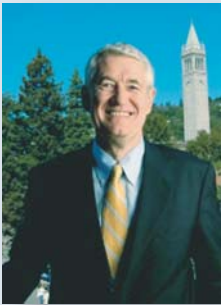

November 3 & 4, 2008
Metro Toronto Convention Centre

SHARCNET is pleased to partner with ORION and CANARIE - Ontario's and Canada's advanced research, education and innovation networks - to invite you to a national Summit in Toronto, November 3 and 4, 2008.

Join distinguished Canadian and global leaders and innovators in science, research, education and information technology to discuss and showcase new, innovative technologies that are transforming the ways we conduct research, collaborate, teach and learn.

Hear from international keynote speakers...

Physicist and chancellor of University of California, Berkeley, Robert J. Birgeneau.

Bestselling author of Innovation Nation, Dr. John Kao.

Also,

- Sara Diamond, President, Ontario College of Art & Design
- Nora Young, Host of CBC Radio's *Spark*
- Dr. Gail Anderson, Forensic Entomologist, Simon Fraser University and many more ...

Presentations and sessions on ...

- advanced visualization
- green IT
- clouds vs. clusters
- global partnerships & collaborations
- commercializing innovation
- cyberinfrastructure showcase
- new applications & resources
- trends in research & discovery

We hope to see you there! Visit www.OrionCanarieSummit.ca
